### Ariane Cap is the perfect example of a diversified portfolio.

Bassist Ariane Cap is an educator, author ("Music Theory for the Bass Player"), composer, blogger, entrepreneur, performing musician and so much more! She is also comfortable and super-proficient in a plethora of musical genres as well.

On top of all that, Ariane is very down to earth and is one of the nicest and most approachable players in the bass community.

Join me as we learn of Ari's musical journey, her projects, her gear, and her plans for the future.
